*Executive Director,
Mrs. Millicent Campbell.*

Mark 10:14

“Permit the little children to come unto me, and forbid them not; for of such is the kingdom of God”.

Jesus showed special interest in children. Can you imagine the scene: groups of adults bringing children to the Lord Jesus? How they thronged Him, wanting His hands on their children and to pray for them. To this day we want children to know the Saviour of the world and to have His blessings on their lives.

At our last annual Prayer Breakfast, we focused on Good News Clubs®. These are weekly Bible classes for children held in homes, schools and churches. Over 14,214 children were reached last year through this ministry. Let us pray for our Good News Club teachers and the many volunteers as they sow the seed of the Gospel in young lives.

In His service,
Millicent

FAMILY NEWS
MAY-JULY 2007

Good News Clubs,® the heart of our ministry...

Mrs. Mary Clarke, Jamaica's Children's Advocate - speaker at our annual Prayer Breakfast, February.24, 2007.

At our annual Prayer Breakfast, we heard testimonies from *Good News Club* teachers and scripture verses from Clubbers as young as five years old. A lesson on the Wordless Book colours was creatively done by five members of God's Heritage *Good* (Cont'd inside)

In prayer.

Interview of one of the longest serving GNC teachers, Elsie Chambers (l) by JCEF Director, Mrs. Campbell.

Happily waiting for their breakfast – some members of the Children's Bible Club Choir.

(Annual Prayer Breakfast cont'd) *News Club*, a church related club, which recently celebrated their first anniversary. The Children's Bible Club Choir renditions were beautiful... "All from memory!" said one amazed person.

Our guest speaker was Mrs. Mary Clarke, Jamaica's Children's Advocate and a deaconess at the Grace Missionary Church. We were truly blessed to hear that she is a graduate of Jamaica Child Evangelism Fellowship Teaching Children Effectively® class and that she was a *Good News Club* teacher in Manchester many years ago. Mrs. Clarke provided us with information on the functions of the Children's Advocate Office all of which seemed enormous, but we know that "all things are possible through Christ who strengthens us".

Berley Adair, leading in prayer. Berley, an elder at Assembly Hall, has been teaching the GNC at Renock Lodge in Rockfort for over 40 years. Uncle Berley, we salute you for your faithful service!

H.O.P.E. 2007...

"Bringing HOPE through Winning Partnerships"

As a result of the interest generated by World Cup Cricket 2007, **Caribbean Sports Reach**, through **H.O.P.E. 2007** (Hospitality, Outreach, Prayer, Empowerment), mobilized the Caribbean churches to witness by way of partnerships, to the people of the Caribbean region as well as visitors to World Cup Cricket 2007

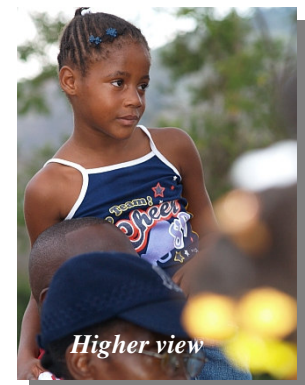

JCEF partnered with this ministry in Glory Music's "Fun in the Son" - a day filled with opportunities for Open Air Evangelism- at Hope Gardens on March 17. Students from our Teacher Training Classes, child evangelists and youth volunteers from various churches participated. It was a great day!
